

WIN £500 EVERY MONTH - AND HELP GIVE £500 TO A CHILD WHO HAS NOTHING!

THE KIDS FOR KIDS 100 CLUB is our new way of thanking you - and helping children in Darfur at the same time! 100 Kids for Kids' Lottery tickets are available at £10 a month each (just £120 a year) giving you the chance of winning...

£500 every single month!

Each month's draw will take place at the end of that month, with £500 allocated as that month's prize to one lucky winner and £500 given to help a child in Darfur*. 100 tickets are available each month with one £500 prize awarded if every ticket is sold*. Tickets will be allocated on a first come first served basis and you may purchase as many tickets as you like! Pay either annually or monthly by Direct Debit and your ticket will be entered into the monthly draw. To qualify for that month's draw your Direct Debit form must be returned no later than 20th of that month. We will send you details of your Kids for Kids' 100 Club Lottery Numbers and you will automatically be entered into the Prize Draw every month.

Just think - you could give your prizes to your children or your Godchildren, have a treat yourself! It's up to you. With a maximum of 100 in the Club the odds are much better than the National Lottery! And it is win win too for Kids for Kids! If all of the Kids for Kids' Lottery Tickets are taken up, we will be able to provide 6 goats and a donkey to 30 families in Darfur - and two years later another 30 families will benefit from our Lottery! Children desperately need milk right now and this is our way to thank you, and to help them!

* if fewer than the maximum of 100 tickets are sold in any month the prize for that month will be 50% of the total sum invested for that period, & 50% for charitable purposes.
